

Atkinson Design is currently looking to fill the following position for our client in their Mississauga office....

Position: Senior Estimator - Construction

Location: Mississauga, Ontario

Role: (Full time)

Our client has a fifty-five year history of building and operating within a unique set of values including mutual trust and entrepreneurialism.

Responsibilities:

We are currently focused on growing the strength of our estimating teams, with multiple opportunities across the country we are specifically looking for Senior Estimators, with the right skills, knowledge, desire and willingness to learn. This individual must have a strong construction estimation background – not manufacturing.

Qualifications:

- 15+ years of experience
- Management Experience Required
- Minimum Education – Professional
- Willingness to Travel – Occasionally
- Hospital experience in a plus

Optimum Skillsets and Competencies

The ideal candidate would have:

- Experience in creating and monitoring construction estimates across a variety of project types and delivery methods, including lump sum, construction management and design build,
- The ability to lead a team in the preparation of estimates for major projects (up to \$250,000,000.),
- A solid understanding of scopes and costs of typical G.C. performed work and Subcontractor work,
- Experience in creating preliminary construction schedules,
- The ability to assist in determining bid strategies,
- A good knowledge of contracts, codes and industry practices,
- A solid understanding of related computer applications including spreadsheet and scheduling software.
- Strong interpersonal and relationship building skills,
- Well developed communication and negotiation skills,
- A minimum of 5 years experience in Quantity Surveying or Estimating of ICI projects.

Interested candidates should send their resumes to wendy.atkinson@gadp.com. Please indicate in **Senior Estimator - Construction** the subject line.
