

Atkinson Design is currently looking to fill the following position for our client in their Dorval office....

Position: Structural Design Engineer (5-10 years experience)

Location: Montreal - Quebec - Dorval

Role: (Full time)

Our client is a world leader in the design and manufacture of innovative aviation products and services for the business, regional and amphibious aircraft markets. This legacy of innovation consolidates more than 250 years of aviation history and has developed 23 successful new aircraft programs since 1989.

Responsibilities:

As part of a new development program, you will be responsible for aircraft structural concepts, layouts, interfaces, details and installation drawings of aircraft structural components. You have a Bachelor's degree or a Technical College degree in mechanical/aerospace engineering and a minimum of five (5) years of relevant experience in the aerospace industry. Knowledge of CATIA is required and Catia V5 is a definite asset. Carbon Fiber composite experience would be an asset. This position requires energetic people with good communication skills, who are willing to accept responsibilities in a team-working environment.

Qualifications:

- 5+ to 10 years of experience
- Management Experience Required – No
- Minimum Education - Associate's Degree
- Willingness to Travel – Occasionally
- Bilingualism (French and English)
- Must have aerospace experience

Optimum Skillsets and Competencies

- A highly motivated, confident team oriented professional, with excellent verbal and written communication skills
- Knowledge of CATIA is required and Catia V5 is a definite asset
- Strong hands-on aptitude with the ability to work well under pressure
- Technical College degree in mechanical/aerospace engineering and a minimum of five (5) years of relevant experience in the aerospace industry
- Drives improvement efforts based on delivering value to customers and stakeholders
- A strong background in engineering technology with an emphasis on aerospace engineering.

Interested candidates should send their resumes to wendy.atkinson@gadp.com. Please indicate in **Structural Design Engineer (5-10 years experience)** the subject line.
